

PINGID 配置

步骤一: PingID 安装方式 (注: PingID 最多可在 5 台设备上配置)

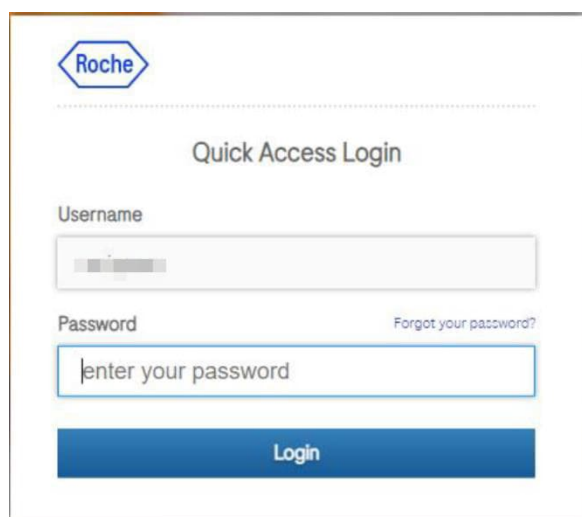

- 公司 iPad / iPhone - PingID 应用已自动下载
- 公司电脑 - 可以通过 software center 进行搜索并安装 (打开 software center -> applications -> 搜索 PingID)
- iOS 设备 - 可以通过 App Store 下载
- 安卓手机 - 可以通过应用商店/Play 商店下载
- 华为手机: 鸿蒙系统 - 通过以下链接, 点击“[直接下载安卓版本/ Direct download for android](#)”PINGID.apk
<https://www.pingidentity.com/en/resources/downloads/pingid.html>
- 个人电脑 - 通过以下链接进行安装即可
<https://pingone-downloads.s3.amazonaws.com/pingid/pc-client/PingID.exe>

步骤二: 注册方式

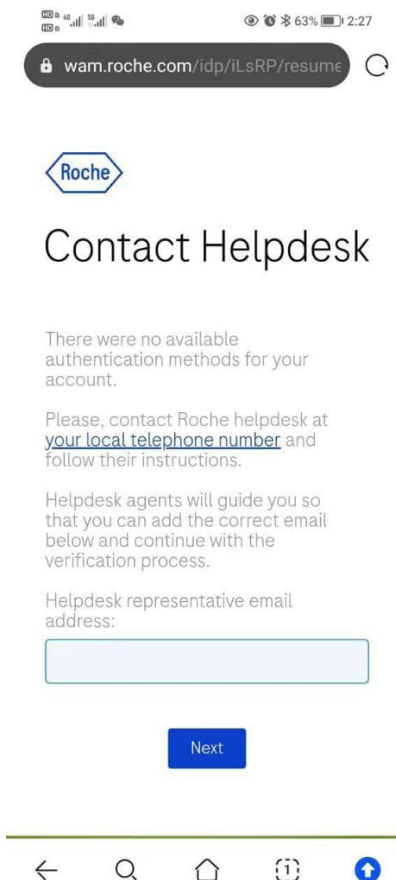

- 请使用电脑设备, 打开注册链接: mfaregistration.roche.com (强烈推荐使用公司设备进入)
- 成功进入后, 输入用户名/User ID 和初始密码/Initial password

请注意以下两种情况:

情况一: 如果使用个人设备打开注册链接, 需要输入 IT 服务台的邮箱地址, 请联系 IT 服务台进行身份验证以获取协助。(类似右边的截图)

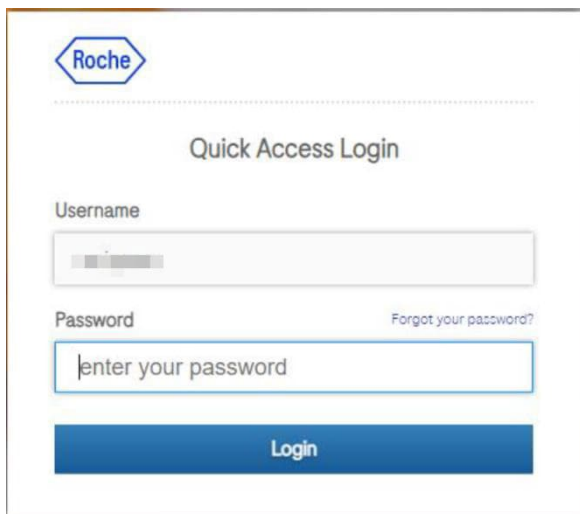

The image shows a web form titled "Quick Access Login" with the Roche logo at the top. It contains two input fields: "Username" and "Password". The "Password" field has a placeholder text "enter your password" and a "Forgot your password?" link. Below the fields is a blue "Login" button.

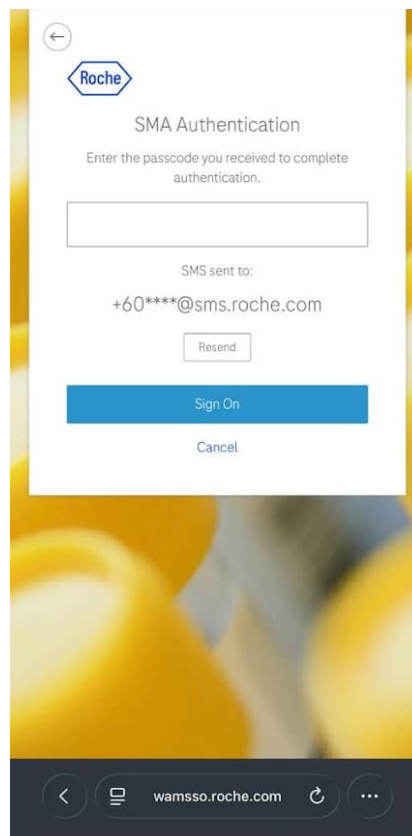

The image shows a mobile browser screen displaying the "Contact Helpdesk" page. At the top, the address bar shows "wam.roche.com/idp/iLsRP/resume". The page has the Roche logo and the title "Contact Helpdesk". The main content area states: "There were no available authentication methods for your account." It then instructs the user to "Please, contact Roche helpdesk at your local telephone number and follow their instructions." Below this, it says "Helpdesk agents will guide you so that you can add the correct email below and continue with the verification process." There is a text input field for the "Helpdesk representative email address:" and a blue "Next" button at the bottom.

情况二：如果使用个人设备打开注册链接, 显示验证码将发送到手机号的短信，请耐心等待几分钟，如迟迟未收到，请联系 IT 服务台以获取协助。(类似右边的截图)

The image shows a web-based login form for Roche. At the top is the Roche logo. Below it is the title "Quick Access Login". There are two input fields: "Username" and "Password". The "Password" field has a placeholder text "enter your password". To the right of the "Password" field is a link "Forgot your password?". Below the input fields is a blue "Login" button.

The image shows a mobile app screen for Roche SMA Authentication. At the top is the Roche logo. Below it is the title "SMA Authentication". The text says "Enter the passcode you received to complete authentication.". There is a text input field for the passcode. Below the input field is the text "SMS sent to:" followed by the phone number "+60****@sms.roche.com". There is a "Resend" button. Below the "Resend" button is a blue "Sign On" button. At the bottom is a "Cancel" button. The background of the app is yellow with a blurred image of a person's face.

步骤三: 开始配置

一旦成功登录后将会到此页面，点击开始并获取二维码或配对密钥

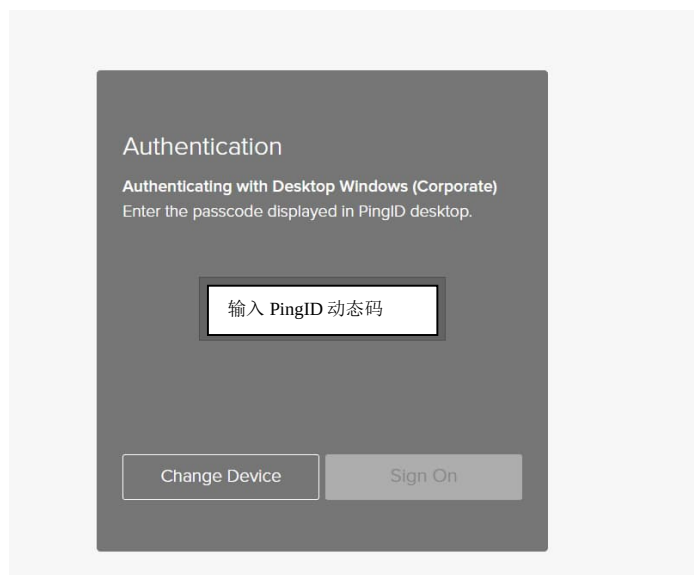

The image shows a welcome screen for the Roche MFA Solution. At the top is the Roche logo. Below it is the title "Welcome to Roche MFA Solution". The text says "You are seeing this message because we care about the security of your data." Below this is a paragraph explaining the registration process for the PingID application. At the bottom is a blue "START" button.

The image shows the "PingID Mobile Application" screen. At the top is the title "PingID Mobile Application". Below it is a QR code. Below the QR code is the text "Pairing Key: 131". Below the pairing key are two buttons: "Available for iPhone & iPad" and "Available for Android". At the bottom is a section titled "Other Authentication Methods" with icons for Yubikey, Security Key, Hardware Token, Desktop, and Authenticator.

步骤四: 完成注册

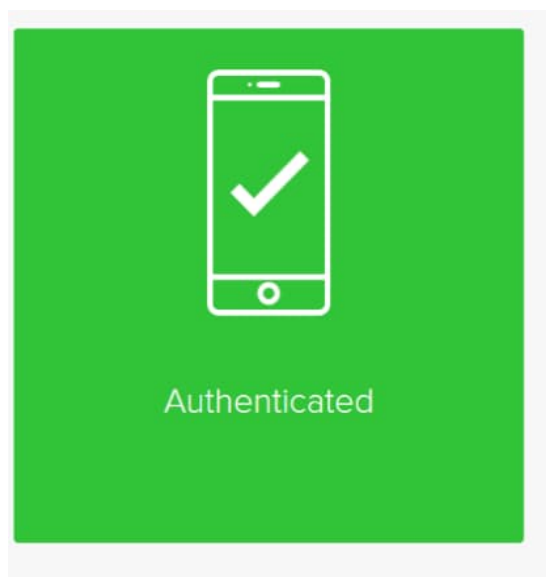

完成扫码或输入配对密钥后, PingID 将会显示动态码, 将该动态码输入到注册链接页面上

The image shows a dark gray authentication window. At the top, it says "Authentication". Below that, it says "Authenticating with Desktop Windows (Corporate)" and "Enter the passcode displayed in PingID desktop." In the center, there is a white rectangular input field with the placeholder text "输入 PingID 动态码". At the bottom, there are two buttons: "Change Device" and "Sign On".

步骤五: 注册成功

完成输入后, 显示以下的页面就已成功配置啦!

PingID Registration successful

Congratulations, you have been successfully registered. Now you are ready to use PingID for your second-factor authentication. Please give us your feedback and then close your web browser.
